

The AIRACK™

Developed to reduce the turnaround time from washing to use, the Airack can dry up to 30 pint glasses in just 4 minutes...

FAST GLASS ROTATION

The Airack can dry up to 30 pint glasses in as little as 4 minutes! Do away with tea towels and paper towels and simply place the glass basket onto the Airack and let it work its magic.

EASY TO USE & INSTALL

The Airack only has one control, the hand turned timer. Remove the glass basket from the glasswasher, place onto the Airack and set the timer to your desired drying time...Simple!

STANDARD BASKET SIZE

The Airack can accommodate a glass basket measuring up to 50cm sq, which means they can be used with baskets from the smallest to the largest under-counter glasswasher.

AVAILABLE IN 3 SIZES

The Airack comes in three different sizes, to suit all glasswasher basket types. The Airack Lite 40 (40cm sq basket), Airack Lite 45 (45cm sq basket) and the Airack Lite 50 (50cm sq basket).
