

LYNX400

PRODUCT FEATURES

- Provide a continuous supply of chips and other fried food, quickly and easily
- The perforated drain plates ensures any excess oil is drained away, helping to keep chips crisp
- Adjustable temperature control
- Easy to clean removable drain plates and interior
- No installation required, just plug in.

Ensure your chips and other fried food are kept at the optimum temperature with the Lynx 400 Chip Scuttle. Great for schools, colleges, restaurants, hotels and cafes, the compact and sturdy scuttle is heated from below and comes with an adjustable temperature control. Designed to plug in and play, the scuttle features perforated drain plates, which ensure any excess oil is drained away.
