

**C2LU**

**CARVERY SERVERY**

The attractive and versatile Parry C2LU is the perfect solution for keeping food at hygienic and ready-to-serve temperatures. Constructed with sturdy and easy-to-clean stainless steel, the two-lamp servery unit is perfect for many self-service food outlets. With a compact width, the hot plate has ample room for serving food in gastronorm pans or other cookware and the easily adjustable temperature control makes this unit straightforward to operate
