

BHC200X1

Bottle Chest Cooler

Product Features

- Practical bottle and can storage space
- Low energy consumption
- Stainless steel for easy cleaning and maintenance
- Static cooling
- Automatic defrost
- Bottle opener available as accessory

Stainless steel cooler for beverages

Easily chill beverages in this sleek stainless steel chest cooler. Designed for bustling hotels, bars, cafés, and restaurants, our high-capacity bottle cooler is ideal for busy hospitality businesses looking to maximise their cold storage efficiency. Made from durable stainless steel, this product is durable and is easy to clean. With a spacious interior designed for both bottles and cans, organising beverages becomes a streamlined process, saving you time and effort, which is particularly important during peak service hours. Easy-access lids make retrieving drinks easy, keeping the customer service process running swiftly and efficiently. Equipped with static cooling, this horizontal cooler maintains the ideal temperature for your beverages.
