

## VENERE PS

Refrigerated Glass Display

### Product Features

- Great product presentation
- Frameless glass door
- Internal vertical LED light
- Digital controller and temperature display
- Static cooling
- Fully automatic
- Adjustable shelves
- Anti mist front glass
- Adjustable feet with rollers to rear

The Venere PS from Framec is a beautiful display cabinet with glass on 3 sides and is designed to be placed against a wall. The door has edge to edge "frameless" glass and the interior is lit with twin vertical LED lights. The PS version is static cooled which can be more appropriate for more delicate food products (fan assisted units can dry out some foods). The Venere is also available as a wine display and fan assisted chiller or freezer, it comes in black as standard but can be ordered in a white finish.

Measures and Content		
Total Display Area	m <sup>2</sup>	1.7
Temperature Range	°C	-2 to +10
Climate Class		4
