- Temperature Class 3M1
- Flat glass top
- Front glass hinges forward if required
- Glass rear sliding doors
- Digital controller and temperature display
- Anti mist front glass
- Castors
- Easy to clean condenser filter

Refrigerated display counter with flat glass structure

The PDA3-CTF is our high-quality range of pastry displays. With its black finish, glass shelves and LED lighting, in the top of the unit as well as underneath each shelf, it offers stylish design and product presentation.

The chilled display counter has an efficient ventilated cooling system and temperature class 3M1, ensuring that your food, pastries and cakes are stored under optimal conditions. The temperature is easy to adjust on the digital controller.

The cabinet has sliding doors to the rear for smooth service and loading, while the front glass hinges forward for quick cleaning access. The counter is equipped with castors for easy mobility.
