- Skinplate exterior/interior
- Digital controller and temperature display
- LED interior light (when door is open)
- Automatic defrost
- Easy maintenance condenser
- Lock

### Multi-purpose bottle cooler/keg cooler

The SGD is built to deliver flexibility, superior energy efficiency, and exceptional style. This premium cabinet works equally well as a backbar cooler for bottles or a KEG cooler, capable of storing 20L or 30L kegs depending on your requirements. If you're using the SGD to store bottles, the adjustable plate shelves provide a stable, practical surface for easy organising.

Designed with hospitality in mind, the SGD features a sleek anthracite exterior that blends effortlessly into modern, high-end settings. Its coated skinplate interior and exterior are resistant to scratches and visible fingerprints, ensuring it stays looking great even after daily use.

The energy-efficient cooling system ensures consistent temperatures while keeping running costs under control. For either bottles or kegs, the SGD is made to meet the demands of customers who expect quality, reliability, and style.
