High-end Backbar Cooler

Product Features

- Excellent product visibility
- Suitable for bottles and KEGS
- Low energy consumption
- Adjustable plate shelves
- LED interior light with switch
- Adjustable legs
- Skinplate exterior/interior
- Digital controller and temperature display
- Automatic defrost
- Easy maintenance condenser
- Lock

Spacious backbar cooler with glass doors

The SGD glass door version is built to deliver exceptional style and product presentation combined with superior energy efficiency. This premium cabinet works well for displaying cans and bottles of different shapes and sizes, as the adjustable plate shelves provide a stable, practical surface for easy organization.

Designed with hospitality in mind, the SGD features a sleek anthracite exterior that blends effortlessly into modern, high-end settings. Its coated skinplate interior and exterior are resistant to scratches and visible fingerprints, ensuring it stays looking great even with daily use.

The energy-efficient cooling system ensures a consistent temperature while keeping running costs under control. The temperature can be set easily on the electronic controller and it has automatic defrost for easy maintenance.
