Slim Display Freezer

Product Features

- Great product presentation
- Ideal for branding
- LED illuminated canopy
- LED interior light
- Heated glass to help prevent condensation
- Adjustable shelves
- Automatic defrost
- Digital controller and temperature display

Slim Display Freezer with Canopy

Showcase your frozen treats in style with this stunning glass door display freezer. With a width of only 435 mm, it is ideal for places with limited space. It is equipped with an LED illuminated canopy, adjustable shelves, vertical interior LED lighting, and a heated glass door for a great product display.

It has an efficient ventilated cooling system, ensuring your products are stored at the correct temperature. The temperature is easy to set on the digital controller.
