

# AIR<sup>0</sup>

by **Lincat**

# Zero Oil. Full Crunch!

The Next Generation of  
Commercial Air Frying

## Key Features & Benefits:

### Lower Operating Costs

Cook on demand to reduce waste, save labour with faster cooking and easier cleaning, and remove oil purchase and disposal expenses.

### True Commercial Power, Accessible Price

Finally - a serious air fryer made for busy kitchens, without the premium price tag.

### Oil-Free = Healthier Profits

Serve healthier food, cut oil costs to zero.

### Plug & Play

Standard 3kW plug - no installation faff.

### Compact

Perfect for space-starved kitchens.

### Simple & Intuitive

7" touchscreen with icons - quick to learn, easy to use.

### Cleaner Air, Happier Team

Catalytic converter removes airborne fats.

### Quick to Clean, Built to Last

Removable GN 2/3 cavity for fast deep cleaning.

### Ventless Operation

No extraction system needed.

### Fast & Consistent Cook Times

- Fries 500g: 4:30 | 800g: 8:30 (shake halfway)
- Chicken Goujons 400g: 4:30
- Nuggets (12 pcs): 5:30
- Fish Fingers (16 pcs): 5:30
- Hash Browns (8 pcs): 6:30

Try it. Taste it.  
Believe it.
