Ventilated serve over display counter

The SPID serve over counter offers the ultimate cooling solution for your food display needs. A visual and functional delight, it's perfect for sandwich shops, delis, and supermarkets to exhibit their offerings enticingly. It has a flat glass canopy for good hygiene and the front glass hinges forward for easy cleaning. The serve over counter is suitable for gastronorm pans (not included). The contemporary counter has an effective ventilated cooling system, which circulates cool air evenly throughout the cabinet. It is designed to keep your products at the ideal temperature while offering easy access.
